CORONER'S INQUEST.

Butler's Death was Caused by Carelessness on the Part of Employees.

STATE OF KANSAS, Ford County, ss.

An inquisition holden at Dodge City, in Ford county, Kansas, on the 11th day of August, 1890, before me, D. D. Rose, M. D., Coroner of said county, on the body of E. E. Butler, then lying dead, by the jurors whose names are hereto subscribed.

The said jurors, upon their oaths do say that the said E. E. Butler came to his death by reason of the negligence of the Atchison, Topeka and Santa Fe railroad Co., through its employees, Homer Bleeker and Hugh Martin, who were employed as switchmen at the time of the accident in the yards of said railroad company at Dodge City, Ford county, Kansas, in making up a freight train. That in making up said freight train, said Bleeker and Martin permitted a car upon which said E. E. Butler was, to be "cornered" or struck by other cars which had been switched upon another track, and that in consequence of the jar or jolt, the result of said "cornering" or striking said car, said E. E. Butler was knocked from the car and falling under the car the wheels ran over him and he was killed.

We further find from the evidence of the yardmen employees of said Atchison, Topeka and Santa Fe R. R. Co., that there is a custom of "cornering" cars in making flying switches, which custom we find to be exceedingly dangerous to life and we feel it our duty as jurors to ensure said R. R. Co. for not having and enforcing a rule or regulation positively prohibiting such custom.

In testimony whereof the said jurors have hereunto set their hands, the day and year aforesaid.

E. D. SWAN.

JOHN S. MARTIN.

L. LEPPERT.

GEORGE W. BARLOW.

THE DEMOCRATS.

The democratic convention assembled at Kelley's opera house in this city on Saturday morning, being called to order by J. S. Martin, chairman of county committee. On motion B. F. Milton was made temporary chairman and F. A. Heinke temporary secretary. The chair appointed the usual committees, after which the convention adjourned till two o'clock p. m.

The afternoon session was called to order at 2:30, and the committee on credentials not being ready to report, for the first time in the memory of man the convention did something that was never heard of before; they went right ahead adopting such reports of committees as were ready to report. With them time was money, and as to who were entitled to sit in the convention, why that was of minor importance.

The report of the committee on permanent organization recommended that the temporary organization be made permanent, adding the name of J. M. Lloyd as assistant secretary.

The report on rules and order of business was next read and adopted. The committee on credentials were not yet ready to report, and the time was occupied by a fifteen minutes speech from Judge E. R. Henry, formerly of Kentucky, who was greeted at times by the most deafening applause—from republicans.

The committee on credentials finally reported, submitting a majority and minority report. The convention was a cut and dried affair, as was shown by the vote taken on the minority report, Dodge City and Speareville casting 27½ out of a total of 45, the country being allowed a representation of 17½ as a matter of "courtesy." Consequently when the chair announced that nominations were in order, it was found that there was one candidate for each office, and the following ticket was nominated by acclamation:

Representative—G. M. Hoover.
Probate Judge—A. J. Anthony.
Clerk of District Court—Thos. Lahey.
County Attorney—W. E. Hendricks.
Superintendent of Public Instruction—David Swinehart.
Commissioner—W. C. Duncker.
